EXPERIENCE

MERN Intern

Amar Transport

March 2023 - April 2023 Remote

- Designed and developed an interactive customer and order page front-end using React.
- Implemented captivating UI components and forms to collect order and customer details.
- Enhanced user experience by creating intuitive forms and dynamic data rendering to show customer and order details.

Intern

Sustainable Living Org

February 2023 - March 2023 Remote

- Implemented an AI internship project focused on developing a car recognition model using computer vision techniques.
- Gathered and preprocessed a large dataset of car images to ensure high-quality input for the model.
- Conducted extensive research on various deep-learning models suitable for car recognition tasks.

PROJECTS

promptNation

Github

MongoDB | NextJS | ReactJS | Tailwind CSS

- Created a platform where users can easily share and discover **prompts** to engage AI models effectively.
- Designed an intuitive and user-friendly interface, allowing users to write and share prompts effortlessly.
- Implemented a robust **search functionality** that enables users to browse through a vast collection of prompts, searching by tags, usernames, or prompt content.

Sweep-chat

Github

MongoDB | ExpressJS | ReactJS | NodeJS | Javascript | CSS

- Implemented **real-time** instant messaging functionality using **Socket.io**, allowing users to exchange messages instantly.
- Integrated a robust login/signup system to ensure secure access to the application.
- Utilized the multiavatar.com **API** to fetch avatars for users, enhancing the visual appeal and **personalization** of user profiles.

EDUCATION

B.E in Computer Engineering

Shah And Anchor Kutchhi Engineering College, Mumbai

2020 - 2024 CGPA: 9.52

HSC

Pragati college, Dombivali

2018 - 2020 Percentage: 88.77

TECHNICAL SKILLS

- Languages:** C/C++, Python, JavaScript
- Frontend Technologies:** HTML, CSS, ReactJS, NextJS, Tailwind, Bootstrap
- Backend Technologies:** ExpressJS, NodeJS, MySQL, MongoDB
- Tools:** Git/Github, JSON, VSCode, Postman

COURSEWORK

- Data Structures and Algorithms
- Object- Oriented Programming
- Software Engineering
- Computer Networks
- Operating Systems
- Database Management Systems

ACHIEVEMENTS

- Codechef Starters 97 Rank: **125/4000**
- Codechef Starters 91 Rank: **280/4000**
- GFG Institute Rank: **4th**
- First Prize Winner** at Xtreme OverFlow: **IEEE Bombay Coding Competition**
- Leetcode Rating : **1800+**
- Received the prestigious LeetCode Annual Badge, awarded to the **top 0.1%** of LeetCode coders.

PROFILES

- Leetcode
- CodeChef
- Codeforces
- GeeksforGeeks
- HackerRank
